

Layout & Measuring Tools

For 2 decades, LOTUS® has stayed true to their loyal costumers, improving only its performance and durability. LOTUS® maintained the heritage of manufacturing tapes in Philippines and China. Since 24 years ago, it remains one of the best selling tapes in the world. Each tape feature sliding locks, holding the blade in place,

3D Miter Square 45/90°

- > Made of aluminum alloy material, durable and high-precision measurement.
- > Clear engraving metric scale, accurate and easy to read
- > Help you to improve working efficiency and save time with wood working projects
- > Super handy precise tool make the difficult task much easier
- > Fine polishing surface, comfortable in hand.
